## IT'S TIME TO GET PERSONAL

**This is a new experience, even for me!**

Every year I felt like I either knocked my gifts out of the park or defaulted to a gift card. Let's face it, buying presents for the people closest to us isn't always easy.

In this guide, we will help you with ideas on what you can order for your loved ones this holiday season from KRFTR. Only you will know all of the inside jokes, personal touches, and hilarious antics of your family and friends, but we will take a crack at it anyway. Don't forget that our creators have made custom commissions before, and they may be able to add even more love into your presents with their suggestions!
